

Consulting Services

Gambit Industrial Health and Safety Consultants Inc. can help you.
Our team of experienced consultants will come into your workplace and help in the following areas:

- Health and Safety Policy, Procedure, Work Instructions, Record Keeping Development
- Assistance in achieving compliance with the Act, Regulations, Standards, and Codes
- Audits and Workplace Inspections with comprehensive reporting
- WSIB WorkWell Audit Preparation
- On-Site consulting up to 2-4 visits per month to develop and maintain the employers Health and Safety Program (may include training, some condition apply)

New in 2016!!!

As of March 1st the new standard for the Part One Basic Certification went into effect.

- Under this new standard, a 1-day refresher training will be required every 3 years to maintain certification.
- On September 8, 2016 there will be some important changes to the laws pertaining to Workplace Violence and Harassment. These changes can be found on our website; www.gambitsafety.com

For more information or assistance with any training sessions please contact our office.
